Education

Maltepe University

B.S. in Software Engineering (EN), GPA 3.05

Capstone project in progress.

Relevant Coursework: Artificial Intelligence, Data Science, Big Data, Machine Learning, Data Management.

Maltepe, Istanbul

4th Year — 2021 – Present

Amasya Kutlubey Science High School

Amasya, Turkey

Graduation 2021, GPA 94.91

Experience

Innova Bilişim, Türk Telekom

Istanbul, Turkey

Data Science & Data Management Intern

June 2025 – July 2025

- Developed and supported ETL pipelines for large-scale telecom datasets using Python and SQL.
- Prepared analytics- and ML-ready datasets by handling ingestion, transformation, and validation stages.
- Worked with batch and streaming data workflows (Spark-based) and contributed to monitoring data reliability.
- Collaborated with data engineers and analysts to ensure consistent and reusable data delivery.

Projects

Projects available on GitHub and my website: github.com/kucukmelih • melihkucuk.com

Leadership & Activities

Maltepe University Teknofest Club

Istanbul, Turkey

Vice President

August 2025 – Present

- Coordinate club activities, events, and projects; support leadership and organization.
- Facilitate project planning and cross-team communication.

Anchovision

Istanbul, Turkey

Founder & Product Lead (Early-stage EdTech Initiative)

2025 – Present

- Leading the development of an AI-powered learning platform focused on personalized education.
- Designing smart Q&A, study-planning, and adaptive learning features for LGS students.
- Conducting applied research, prototyping, and validation to guide product direction.

Skills & Interests

Technical: Python, Kotlin, C, JavaScript, SQL, MySQL, MSSQL, PostgreSQL, Cassandra, Spark, Hadoop, Kafka, Maven, Airflow, Docker, Git, HTML, CSS, Figma

Language: Turkish (Native), English (B2)

Training: YÖK Data Analysis School — AI Modules 1 & 2

Interests: Artificial Intelligence, Data Science, Big Data, Data Engineering, Mobile Development

Certificates

- Machine Learning Specialization — DeepLearning.AI & Stanford University
- CS50's Introduction to Programming with Python — Harvard University
- Data Science and Machine Learning — Udemy, Vahit Keskin
- LangChain, LangGraph, RAG, LLM Orchestration — Udemy, Atil Samancioglu
- 11th International Symposium on Digital Forensics and Security
- Turkcell Geleceği Yazanlar — Advanced Python
